

Eistellwerte Warmwasser

Wärmepumpe:

Speicher:

A screenshot of a control panel with a blue background. The text is white. The word 'Gesamt' is at the top, underlined. Below it are three lines of data: 'Betrieb 576 h', 'Warmwasser 60 m³', and 'Energie 758 kWh'. A small white arrow points to the left of 'Energie'. To the right of the screen, a wooden pointer is visible, and a chalkboard with some faint white drawings is partially seen.

Gesamt	
Betrieb	576 h
Warmwasser	60 m ³
▶ Energie	758 kWh

A screenshot of a control panel with a blue background. The text is white. The word 'Warmwasser' is at the top, underlined. Below it are three lines of data: '▶ T-WW Soll 48 °C', 'Gleit. Sollw. Ja', and 'Komfort Ja'. To the right of the screen, a chalkboard with some faint white drawings is visible.

Warmwasser	
▶ T-WW Soll	48 °C
Gleit. Sollw.	Ja
Komfort	Ja
